

## Data Protection Authority of Bavaria for the Private Sector

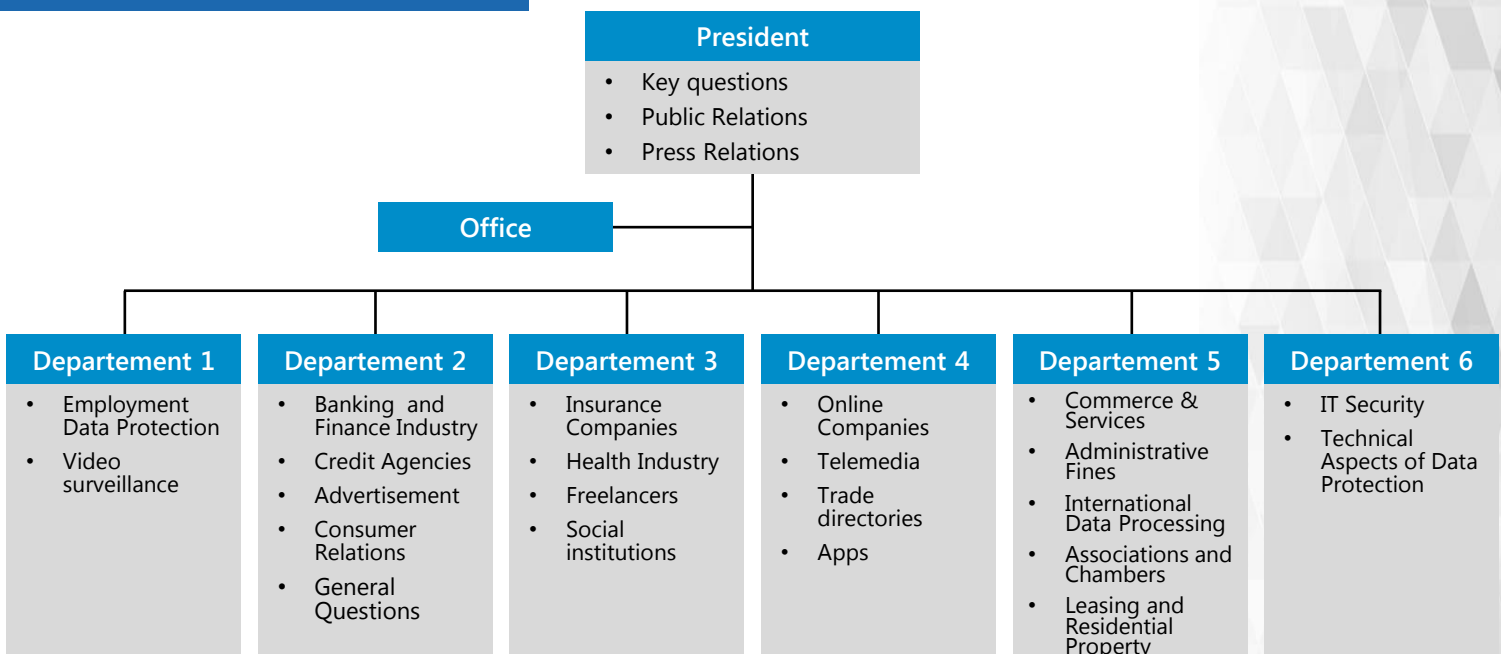

### We are supervising data processing by

- private owned corporations
- freelancers
- private hospitals and nursing homes
- associations and political parties
- private individuals

### Our main responsibilities are

- handling complaints
- on-site examinations
- advising data protection officials and companies
- dealing with data breaches
- public relations
- working with different associations and chambers

### Our organisation

## Our main supervising powers are:

- right to immediate responses by the controller
- right to enter the property and premises during business hours
- on-site examinations
- examining business records

## In case of data protection violations

we are allowed to:

- inform the data subject
- order measures to rectify violations
- impose administrative fines
- issue an administrative order to stop the data processing altogether in case of serious violations
- demand for a penalty relating to criminal offences
